

Elena Morozov

Data Scientist

Moscow, Russia | elena.morozov@example.com | +7 9000 000000 | linkedin.com/in/elena-morozov | github.com/elena-morozov | elena-morozov.dev

PROFILE

Analytical Data Scientist with 6 years of experience in statistical analysis and machine learning. Proven track record of extracting insights from large datasets to drive business decisions and enhance operational efficiency.

SKILLS

Languages: Python, R, SQL

Frameworks: Pandas, TensorFlow, Scikit-learn

Cloud and tools: AWS, Google Cloud Platform, Azure

Databases: MySQL, PostgreSQL

Practices: Data Visualization, Predictive Analytics, Agile Methodologies

EXPERIENCE

Senior Data Scientist, Data Insights Group

Jun 2019 - Present

Moscow, Russia

- Developed predictive models that increased marketing campaign efficiency by 35%.
- Collaborated with cross-functional teams to analyze complex datasets and provide actionable insights.
- Presented findings to stakeholders using data visualization tools, improving decision-making processes.

Technologies: Python, Pandas, AWS

Data Analyst, Tech Analytics Co.

Feb 2017 - May 2019

Moscow, Russia

- Conducted data analysis and reporting to support strategic initiatives and operational improvements.
- Utilized SQL and R to extract and manipulate data from multiple sources.
- Created dashboards that visualized key metrics for executive leadership.

Technologies: SQL, R, Tableau

PROJECTS

Customer Segmentation Model

Designed a machine learning model to segment customers based on purchasing behavior, leading to targeted marketing strategies. Technologies: Python, Scikit-learn.

Sales Forecasting Dashboard

Developed a dashboard that forecasts sales trends using historical data, providing decision support for inventory management. Technologies: Python, Tableau.

EDUCATION AND CERTIFICATIONS

MSc Data Science, Moscow Institute of Technology (2016) - Focused on machine learning and data analytics.

Certifications: Certified Data Scientist
