

Niamh Ó'Sullivan

Data Scientist

Dublin, Ireland | niamh.osullivan@example.com | +353 1 900 0000 | linkedin.com/in/niamh-osullivan | github.com/niamh-osullivan | niamh-osullivan.dev

PROFILE

Passionate Data Scientist with over 4 years of experience in deriving insights from complex datasets. Proficient in machine learning algorithms, data visualization, and statistical analysis.

SKILLS

Languages: Python, R, SQL

Frameworks: Pandas, Scikit-Learn, TensorFlow

Cloud and tools: AWS, Azure ML, Google Cloud

Databases: PostgreSQL, MySQL

Practices: Data wrangling, Model deployment, Exploratory data analysis

EXPERIENCE

Data Scientist, Insight Analytics

Dublin, Ireland

Jan 2019 - Present

- Developed predictive models to forecast customer behavior, increasing revenue by 20%.
- Visualized data insights using Tableau, which improved decision-making processes.
- Collaborated with cross-functional teams to implement data-driven strategies.

Technologies: Python, Tableau, AWS

Junior Data Analyst, Data Insights Corp.

Dublin, Ireland

Jun 2017 - Dec 2018

- Conducted data cleaning and preprocessing for various datasets.
- Assisted in preparing reports and presentations for stakeholders.
- Performed statistical analysis to identify trends and patterns.

Technologies: R, SQL, Excel

PROJECTS

Customer Segmentation Project

Conducted an in-depth analysis of customer data to identify key segments, leading to targeted marketing strategies.

Technologies: Python, Scikit-Learn.

Sales Forecasting Model

Created a machine learning model to predict sales trends based on historical data, enhancing inventory management.

Technologies: TensorFlow, AWS.

EDUCATION AND CERTIFICATIONS

BSc Data Science, Fictional University of Dublin (2016) - Focused on machine learning and statistical modeling.

Certifications: Certified Data Scientist (CDS)
