

Jumaane Ndlovu

Cybersecurity Analyst

Cape Town, South Africa | jumaane.ndlovu@example.com | +27 21 0000 0005 | linkedin.com/in/jumaane-ndlovu | github.com/jumaane-ndlovu | jumaane-ndlovu.dev

PROFILE

Proactive Cybersecurity Analyst with over 5 years of experience in protecting digital assets and ensuring compliance with security standards. Expertise in threat analysis and incident response.

SKILLS

Languages: Python, Java, Shell

Frameworks: Metasploit, Snort, Burp Suite

Cloud and tools: AWS Security, Azure Security Center, Google Cloud Security

Databases: MySQL, Oracle

Practices: Risk Assessment, Incident Response, Vulnerability Management

EXPERIENCE

Senior Cybersecurity Analyst, SecureTech

Jun 2019 - Present

Cape Town, South Africa

- Conducted comprehensive security assessments and vulnerability scans, leading to a 60% reduction in security incidents.
- Developed incident response plans and conducted training sessions for staff on security best practices.
- Collaborated with cross-functional teams to integrate security measures into the software development lifecycle.

Technologies: Python, Metasploit, Snort

Junior Security Analyst, Cyber Solutions

Jan 2018 - May 2019

Cape Town, South Africa

- Assisted in monitoring networks for security breaches and anomalies, escalating incidents as necessary.
- Supported the development of security policies and compliance documentation.
- Participated in phishing simulation exercises, increasing employee awareness of cyber threats.

Technologies: Java, Burp Suite, MySQL

PROJECTS

Network Security Enhancement

Led a project to enhance network security protocols, successfully reducing vulnerability exposure by 40%. Technologies: Snort, AWS Security, Python.

Incident Response Framework

Developed a comprehensive incident response framework that improved response times during security incidents. Technologies: Burp Suite, Metasploit, Java.

EDUCATION AND CERTIFICATIONS

BSc Cybersecurity, University of Cape Town (2017) - Focus on ethical hacking and information security.

Certifications: Certified Information Systems Security Professional (CISSP)
