

Amina Okoro

Data Scientist

Lagos, Nigeria | amina.okoro@example.com | +234 800 000 0000 | linkedin.com/in/amina-okoro | github.com/amina-okoro | aminaokoro.dev

PROFILE

Motivated data scientist with expertise in machine learning and statistical analysis. Proven ability to derive actionable insights from complex datasets and enhance decision-making processes for business growth.

SKILLS

Languages: Python, R, SQL
Frameworks: TensorFlow, Pandas, Scikit-Learn
Cloud and tools: AWS, Azure, GCP
Databases: PostgreSQL, SQLite
Practices: Data visualization, Model deployment, Agile methodologies

EXPERIENCE

Data Analyst, Insight Analytics Corp. Mar 2021 - Present

Lagos, Nigeria

- Designed and implemented predictive models that improved client retention rates by 20%.
- Conducted A/B testing to evaluate marketing strategies, resulting in a 15% increase in conversion rates.
- Collaborated with cross-functional teams to identify data-driven solutions to business challenges.

Technologies: Python, PostgreSQL, Tableau

Junior Data Scientist, NextGen Tech Jul 2019 - Feb 2021

Lagos, Nigeria

- Developed machine learning algorithms for sales forecasting, achieving 85% accuracy.
- Visualized data insights using Tableau, enabling stakeholders to understand trends and patterns effectively.
- Participated in hackathons, winning first place for developing a model predicting customer churn.

Technologies: R, Scikit-Learn, Tableau

PROJECTS

Customer Segmentation Tool

Built a segmentation tool using K-means clustering that identified key customer groups, optimizing marketing strategies.

Technologies: Python, Pandas, Matplotlib.

Sales Forecasting Model

Created a forecasting model using time-series analysis to predict future sales trends, aiding inventory management.

Technologies: Python, Prophet.

EDUCATION AND CERTIFICATIONS

MSc Data Science, University of Lagos (2020) - Thesis on Predictive Analytics in Retail

Certifications: Certified Data Scientist (CDS)
