

Sofia Bianchi

Data Scientist

Milan, Italy | sofia.bianchi@example.com | +39 7000 0002 | linkedin.com/in/sofia-bianchi | github.com/sofia-bianchi | sofia-bianchi.dev

PROFILE

Results-driven Data Scientist with over 4 years of experience in predictive modeling and machine learning. Strong analytical skills with a proven track record of solving complex business problems using data-driven insights.

SKILLS

Languages: Python, R, SQL

Frameworks: TensorFlow, Scikit-learn, Pandas

Cloud and tools: Google Cloud Platform, AWS, Azure ML

Databases: PostgreSQL, BigQuery

Practices: Data Visualization, Machine Learning, Agile methodologies

EXPERIENCE

Data Scientist, Data Insights Inc.

May 2020 - Present

Milan, Italy

- Developed predictive models that increased sales forecasts accuracy by 20%, aiding in strategic decision-making.
- Collaborated closely with marketing teams to analyze customer behavior, leading to targeted campaigns that improved conversion rates by 15%.
- Presented complex data insights to stakeholders using visualization tools, resulting in enhanced understanding of data trends.

Technologies: Python, TensorFlow, PostgreSQL

Junior Data Analyst, Tech Analytics Group

Jan 2018 - Apr 2020

Rome, Italy

- Assisted in the data cleaning and preprocessing for various datasets, leading to improved data quality for analysis.
- Conducted exploratory data analysis that identified key performance indicators and trends for the business.
- Generated reports and dashboards to track performance metrics and highlight areas for improvement.

Technologies: R, SQL, Tableau

PROJECTS

Customer Segmentation Model

Developed a machine learning model to segment customers based on purchasing behavior, resulting in personalized marketing strategies. Technologies: Python, Scikit-learn.

Sales Forecast Dashboard

Created an interactive dashboard for sales forecasting using Tableau, enabling real-time data access for stakeholders. Technologies: Tableau, SQL.

EDUCATION AND CERTIFICATIONS

MSc Data Science, Fictional Institute of Technology (2019)

BSc Mathematics, Fictional University (2017)

Certifications: Certified Data Scientist
