

Nia Mbeki

Cloud Security Engineer

Cape Town, South Africa | nia.mbeki@example.com | +27 7000 0005 | linkedin.com/in/nia-mbeki | github.com/nia-mbeki | nia-mbeki.dev

PROFILE

Detail-oriented Cloud Security Engineer with 4 years of experience in securing cloud infrastructures. Strong knowledge of compliance standards and security best practices, focused on protecting sensitive data and ensuring system integrity.

SKILLS

Languages: Python, Java, Bash
Frameworks: AWS Security, Azure Security Center, GCP Security
Cloud and tools: AWS, Azure, Cloudflare
Databases: MongoDB, PostgreSQL
Practices: Vulnerability Assessment, Incident Response, Risk Management

EXPERIENCE

Cloud Security Engineer, SecureCloud Technologies Mar 2021 - Present

Cape Town, South Africa

- Conducted security assessments on cloud infrastructures, identifying vulnerabilities and implementing mitigations.
- Developed security automation scripts that reduced manual workload by 40% and improved incident response times.
- Collaborated with cross-functional teams to design secure architectures compliant with industry standards.

Technologies: Python, AWS, GCP

Security Analyst, IT Security Solutions Jan 2018 - Feb 2021

Johannesburg, South Africa

- Monitored security threats and incidents, providing timely responses to minimize risks.
- Assisted in developing security policies and procedures for cloud environments, increasing compliance adherence.
- Performed penetration testing on systems to identify and rectify potential security flaws.

Technologies: Bash, Java, AWS

PROJECTS

Cloud Security Compliance Tool

Developed a tool that automates compliance checks for cloud resources, ensuring adherence to industry regulations.

Technologies: Python, AWS.

Incident Response Plan

Created a comprehensive incident response plan to streamline processes for addressing security breaches, reducing downtime. *Technologies: Documentation, Collaboration Tools.*

EDUCATION AND CERTIFICATIONS

BSc Cybersecurity, Fictional University of Technology (2018)

Certifications: Certified Information Systems Security Professional (CISSP)
