

Anya Petrenko

Data Scientist

Kyiv, Ukraine | anya.petrenko@example.com | +380 44 900 0000 | linkedin.com/in/anya-petrenko | github.com/anya-petrenko | anyapetrenko.dev

PROFILE

Results-driven Data Scientist with over 4 years of experience in predictive modeling and data analysis. Proficient in statistical analysis and machine learning techniques, with a passion for deriving actionable insights from complex data.

SKILLS

Languages: Python, R, SQL

Frameworks: TensorFlow, scikit-learn, Pandas

Cloud and tools: AWS, Azure ML, Google BigQuery

Databases: PostgreSQL, SQLite

Practices: Data Visualization, Machine Learning, Model Deployment

EXPERIENCE

Data Scientist, Insight Analytics

Mar 2021 - Present

Kyiv, Ukraine

- Developed predictive models that improved forecasting accuracy by 25%.
- Utilized machine learning algorithms to analyze customer data, driving targeted marketing strategies.
- Created data visualization dashboards for stakeholders, enabling data-driven decision-making.

Technologies: Python, Tableau, AWS

Junior Data Analyst, Data Solutions Corp.

Jun 2018 - Feb 2021

Kyiv, Ukraine

- Conducted exploratory data analysis to identify trends and patterns in large datasets.
- Assisted in the migration of legacy systems to modern data platforms, improving data accessibility.
- Collaborated with cross-functional teams to define data requirements for various projects.

Technologies: SQL, Excel, Tableau

PROJECTS

Customer Segmentation Model

Built a customer segmentation model that enhanced targeted marketing efforts, increasing conversion rates by 20%.

Technologies: Python, scikit-learn, Pandas.

Sales Forecast Dashboard

Developed an interactive dashboard that visualizes sales forecasts, allowing for real-time adjustments and strategy implementation. *Technologies: Tableau, AWS, SQL.*

EDUCATION AND CERTIFICATIONS

MSc Data Science, National University of Kyiv (2018)

Certifications: IBM Data Science Professional Certificate
