

Leandro Vasquez

Data Scientist

Buenos Aires, Argentina | leandro.vasquez@example.com | +54 11 0000-0000 | linkedin.com/in/leandro-vasquez | github.com/leandro-vasquez | leandro-vasquez.dev

PROFILE

Results-oriented Data Scientist with over 6 years of experience in leveraging data analytics and machine learning to drive business decisions. Proven track record of transforming complex data into actionable insights.

SKILLS

Languages: Python, R, SQL

Frameworks: TensorFlow, Scikit-Learn, Pandas

Cloud and tools: Google Cloud Platform, AWS, Azure

Databases: MySQL, PostgreSQL

Practices: Data visualization, Statistical analysis, Model deployment

EXPERIENCE

Senior Data Scientist, Data Solutions Ltd.

Feb 2020 - Present

Buenos Aires, Argentina

- Developed predictive models that improved customer retention by 15% through targeted marketing strategies.
- Collaborated with cross-functional teams to define data requirements for various projects, streamlining data flow by 25%.
- Presented analytical findings to stakeholders, enhancing decision-making processes across departments.

Technologies: Python, TensorFlow, Google Cloud Platform

Data Analyst, Innovatech Analytics

Jan 2017 - Jan 2020

Buenos Aires, Argentina

- Analyzed large datasets to identify trends and patterns, contributing to a 20% increase in sales forecasting accuracy.
- Created interactive dashboards using Tableau to visualize sales data for executive teams.
- Assisted in A/B testing for marketing campaigns, resulting in a 10% increase in conversion rates.

Technologies: R, Tableau, MySQL

PROJECTS

Customer Segmentation Analysis

Conducted an analysis of customer data to identify distinct segments, leading to personalized marketing efforts and a 12% increase in engagement. Technologies: Python, Pandas.

Sales Forecasting Model

Built a machine learning model to predict future sales, which improved inventory management and reduced costs by 15%. Technologies: R, Scikit-Learn.

EDUCATION AND CERTIFICATIONS

MSc in Data Science, University of Buenos Aires (2016) - Focused on machine learning and statistical modeling.

Certifications: Certified Data Scientist
