

Leonie Müller

Data Scientist

Berlin, Germany | leonie.mueller@example.com | +49 30 1234 5678 | linkedin.com/in/leonie-mueller | github.com/leonie-mueller | leoniemuller.dev

PROFILE

Results-driven Data Scientist with over 4 years of experience in statistical modeling and data analysis. Skilled in Python, R, and machine learning techniques, dedicated to deriving actionable insights from complex datasets.

SKILLS

Languages: Python, R, SQL

Frameworks: TensorFlow, Pandas, Scikit-learn

Cloud and tools: Google Cloud, AWS, Azure

Databases: PostgreSQL, SQLite

Practices: Data visualization, Predictive modeling, Agile methodologies

EXPERIENCE

Data Scientist, Data Insights Corp.

May 2019 - Present

Berlin, Germany

- Developed predictive models to forecast sales trends, increasing accuracy by 20%.
- Conducted A/B testing for marketing campaigns, optimizing ROI by 15%.
- Collaborated with cross-functional teams to gather requirements and deliver data-driven recommendations.

Technologies: Python, TensorFlow, PostgreSQL

Junior Data Analyst, Analytics Hub

Oct 2017 - Apr 2019

Berlin, Germany

- Analyzed user data to generate insights, enhancing product features and user satisfaction.
- Automated reporting processes, reducing manual effort by 30%.
- Produced visual reports using Tableau for stakeholder presentations.

Technologies: R, Tableau, Excel

PROJECTS

Customer Segmentation Model

Developed a model that segments customers based on purchasing behavior, resulting in targeted marketing strategies that improved conversion rates by 25%. Technologies: Python, Scikit-learn.

Real-time Data Dashboard

Created a dashboard using Google Cloud to visualize real-time sales data, improving business responsiveness. Technologies: Google Cloud, Tableau.

EDUCATION AND CERTIFICATIONS

MSc Data Science, Technical University of Berlin (2017) - Focused on machine learning and statistical methods

Certifications: Data Science Certification - Coursera
