

Nina Schmidt

DevOps Engineer

Berlin, Germany | nina.schmidt@example.com | +49 30 0000-0000 | linkedin.com/in/nina-schmidt | github.com/nina-schmidt | nina-schmidt.dev

PROFILE

Proficient DevOps Engineer with over 7 years of experience in automating infrastructure and optimizing CI/CD pipelines. Committed to enhancing productivity and collaboration between development and operations teams.

SKILLS

Languages: Python, Bash, Go

Frameworks: Docker, Kubernetes, Ansible

Cloud and tools: AWS, Azure, Google Cloud

Databases: PostgreSQL, MariaDB

Practices: Infrastructure as Code, Continuous deployment, Monitoring & logging

EXPERIENCE

DevOps Engineer, Cloud Innovations Inc.

Apr 2019 - Present

Berlin, Germany

- Implemented CI/CD pipelines using Jenkins and GitLab, reducing deployment time by 50%.
- Automated infrastructure provisioning with Terraform, leading to a 40% decrease in setup time for new environments.
- Managed container orchestration with Kubernetes, improving system reliability and scalability.

Technologies: Docker, AWS, Terraform

Systems Administrator, NextGen Tech

Jan 2016 - Mar 2019

Munich, Germany

- Maintained and monitored server infrastructure, achieving 99.9% uptime for customer applications.
- Developed scripts for automation of routine tasks, increasing operational efficiency by 30%.
- Provided technical support and training for development teams, enhancing collaboration across departments.

Technologies: Bash, PostgreSQL, Ansible

PROJECTS

E-commerce Infrastructure Migration

Led the migration of an e-commerce platform to AWS, which improved performance and reduced costs by 25%. Technologies: AWS, Docker.

Monitoring System Implementation

Implemented a comprehensive monitoring system using Prometheus and Grafana, which significantly enhanced incident response times. Technologies: Prometheus, Grafana, Kubernetes.

EDUCATION AND CERTIFICATIONS

BSc in Information Technology, Technical University of Berlin (2015) - Specialization in system architecture and networking.

Certifications: Certified Kubernetes Administrator
