

Laila Asante

AI Engineer

Accra, Ghana | laila.asante@example.com | +233 200 000 000 | linkedin.com/in/laila-asante | github.com/laila-asante | lailaasante.dev

PROFILE

Innovative AI Engineer with 5 years of experience in developing machine learning solutions and algorithms. Skilled in deep learning frameworks and data processing techniques, with a passion for harnessing AI to solve complex challenges.

SKILLS

Languages: Python, R, Java

Frameworks: TensorFlow, Keras, PyTorch

Cloud and tools: AWS, Google Cloud, Azure

Databases: MongoDB, PostgreSQL

Practices: Machine Learning, Deep Learning, Data Analysis

EXPERIENCE

AI Engineer, AI Solutions Ltd.

Apr 2020 - Present

Accra, Ghana

- Developed and deployed machine learning models that improved prediction accuracy by 30% for client projects.
- Collaborated with data scientists to enhance existing algorithms and streamline data processing workflows.
- Presented findings and recommendations to stakeholders, facilitating data-driven decision-making.

Technologies: Python, TensorFlow, MongoDB

Machine Learning Intern, Tech Star Innovations

Jan 2019 - Dec 2019

Accra, Ghana

- Assisted in implementing machine learning models for image recognition, achieving a 95% accuracy rate.
- Conducted exploratory data analysis to identify trends and patterns in large datasets.
- Participated in team meetings to discuss project progress and methodologies used.

Technologies: Python, Keras, PostgreSQL

PROJECTS

Sentiment Analysis Tool

Created a sentiment analysis application that processes social media data to gauge public sentiment on various topics, resulting in actionable insights for marketing teams. Technologies: Python, TensorFlow.

Image Classification System

Developed an image classification system utilizing convolutional neural networks, which achieved over 90% accuracy on benchmark datasets. Technologies: Keras, Python.

EDUCATION AND CERTIFICATIONS

BSc Computer Science, University of Ghana (2018) - Focused on artificial intelligence and data science.

Certifications: TensorFlow Developer Certificate
