

Sofia Petrescu

Data Scientist

Bucharest, Romania | sofia.petrescu@example.com | +40 700 000 000 | linkedin.com/in/sofia-petrescu | github.com/sofia-petrescu | sofia-petrescu.dev

PROFILE

Data Scientist with over 4 years of experience in statistical analysis and machine learning. Passionate about solving complex business problems through data-driven insights.

SKILLS

Languages: Python, R, SQL

Frameworks: TensorFlow, Pandas, Scikit-learn

Cloud and tools: Google Cloud, AWS, Azure

Databases: PostgreSQL, SQL Server

Practices: A/B testing, Data visualization, Model deployment

EXPERIENCE

Data Scientist, Insight Analytics

Mar 2021 - Present

Bucharest, Romania

- Developed predictive models that increased customer retention by 25%.
- Collaborated with marketing teams to optimize campaign strategies using A/B testing.
- Presented data insights to stakeholders, leading to strategic decision-making.

Technologies: Python, AWS, PostgreSQL

Data Analyst, DataDriven Solutions

Jun 2018 - Feb 2021

Bucharest, Romania

- Analyzed large datasets to identify trends and patterns, improving operational efficiency by 15%.
- Automated reporting processes, reducing report generation time by 50%.
- Created interactive dashboards for real-time data visualization.

Technologies: R, SQL, Tableau

PROJECTS

Customer Segmentation Model

Developed a machine learning model to segment customers based on purchasing behavior, resulting in targeted marketing efforts that increased sales by 30%. Technologies: Python, Scikit-learn.

Sales Forecasting Tool

Built a forecasting tool using historical data to predict future sales trends, aiding inventory management. Technologies: R, Google Cloud.

EDUCATION AND CERTIFICATIONS

MSc in Data Science, University of Bucharest (2020) - Specialized in machine learning and statistical analysis.

Certifications: Microsoft Certified: Azure Data Scientist Associate
